

## **Wiha Tools Announces the Addition of 6 Wire Strippers to Product Offering**

MONTICELLO, MN – 5/17/2018

Willi Hahn Corporation USA dba Wiha Tools announces the addition of 6 Wire Strippers to our product offering. As of May 17th, 2018, customers will be able to purchase the new additions. These are manufactured in the United States and will be available in North America.

Wade Krinke, Product Category Manager comments: “We are excited to launch a line of the most popular wire strippers frequently requested from our professional customers. These wire strippers complement our full line of professional tools used at all levels of the electrical industries.”

Wiha Tools is looking forward to expanding their product line with the addition of wire strippers. Offering high quality wire strippers provides electricians and tool aficionados alike with tools that will ensure that projects are completed with ease. The wire strippers are backed by the “Wiha No Hassle Guarantee.”

### **About Wiha**

Founded in 1939, Wiha has become a leading global manufacturer of hand tools and solutions for professional tradespeople and industrial markets. A host of awards underline that Wiha sets the standard in functionality, design and quality.

As of 2015, Wiha is the first hand tool manufacturer in the world to receive the internationally recognized AGR seal. This recognition confirms the effectiveness and benefits of Wiha’s

innovative range of screwdrivers, torque tools, L-keys, bits, soft-head hammers, pliers, measuring tools and articulated hoses. Wiha's innovative approach offers real added value and user benefits in terms of increased efficiency and functionality in everyday work.

The family owned company was recognized in 2016 as belonging to the TOP 100 most innovative medium-sized companies in Germany, and received the Manufacturing Excellence Award (MX Award) as the best German SME in 2014. Currently, over 900 Wiha employees manufacture and market award winning Wiha premium tools.
